Dear Ms. Fleming and Mr. Beacham,

On behalf of Ector County, I would like to extend my appreciation for the Public Purchasing Training program you presented to our employees, departmental heads and elected officials on November 5th. This was a very informative and educational program for all of us involved in public purchasing. Those in attendance have commented to us that this was very beneficial to them and would like to see this turn into an annual event. This presentation could not have been so warmly accepted without your knowledge and willing assistance in these subject matters.

Sincerely,

Kenneth D. Lind, CPPB
Purchasing Agent
